Dated: 15 June, 2022

Dear Administrative Secretary,

I would like to draw your attention towards the fact that the use of cyber space is increasing rapidly which is also leading to increase in number of cyber crimes, especially against women and children.

2. As per the Seventh Schedule to the Constitution of India, 'Police' and 'Public Order' are State subjects and States/ UTs are competent to deal with crimes including cyber crimes. However, the central Government on its part, provides necessary assistance to the State Governments through various schemes/ programmes from time to time.

3. In this context, I would like to inform you that in order to provide an effective mechanism to deal with cyber crime in a coordinated and comprehensive manner, Government of India has implemented the 'Indian Cyber Crime Coordination Centre (I4C)' scheme. Under this initiative, 'National Cyber Crime Reporting Portal', i.e., www.cybercrime.gov.in has been launched under Nirbhaya Fund for reporting of all types of cyber crimes, especially cyber crimes against women and children. The incidents reported in the portal are automatically forwarded online to the State/UT concerned. So far, more than 7.6 crore people have visited the portal and reported more than 8.5 lakh cyber crime incidents with 16,573 FIRs having been registered.

4. In addition, the Government has operationalized the 'Citizen Financial Cyber Fraud Online Reporting and Management System (CFCFRMS)' for quick reporting of online financial frauds and the States/ UTs/ Banks/ Intermediaries have been connected to it. So far, more than Rs. 51 Crore has been saved. In order to register complaints in this system, a National Toll-Free Helpline Number '1930' has been made operational. The Central Government has taken several steps to spread awareness on the prevention of cyber crime which are attached as an **Annexure**.

5. As you are aware that Ministry of Women and Child Development is making all endeavours to provide a safe and secure environment for women and children of the Country through its schemes namely One Stop Centre (OSC), Women Help Line (WHL), Child Line (CHL), Swadhar Greh, Ujjawala Homes, Working Women Hostel (WWH), National Creche Scheme, Beti Bachao Beti Padhao, Child Protection Schemes, etc.

6. In order to curb the menace of cyber crime especially against women and children, maximum cooperation of States/ UTs/ stakeholders is expected. Therefore, the field functionaries associated with the aforesaid schemes/ programmes may be trained and roped in for raising awareness about the initiatives of the Government for preventing and combating cyber crime. The Government officials, other duty bearers and stakeholders may be encouraged to follow the presence of I4C on social media, i.e., Twitter handle (@Cyberdost), Facebook (/CyberDostI4C), Instagram (cyberdostI4C), Telegram (cyberdosti4c) and contribute to dissemination of cyber security tips.

7. I shall be grateful, if you could take appropriate action to maximize the awareness among general public in your State about the steps taken by Government to deal with cyber crime; especially about the National Cyber Crime Reporting Portal, the National Helpline No: 1930. I would also request you to provide your valuable inputs and feedback in organizing the 'cyber jagrookta Diwas' for sensitizing school/ college students in municipalities and panchayats.

With regards,

Yours sincerely,

(Dr. Rakesh Gupta)
